FOR IMMEDIATE RELEASE

Gamma Alpha Omega National Headquarters, Tempe, AZ – We would like to share that the National Executive Board (NEB) has accepted Melinda Vazquez-Williamson's resignation from the National President position. We are truly grateful to have had her dedicate 8 years of service on national leadership and wish her luck on future endeavors.

Lorena Galindo (former Vice President) has been appointed by the NEB to fill the National President position. She will serve the remainder of the current term through 2017- at which point the House of Delegates will be vested with the duty of electing the next National President. Lorena has served with distinction at the local, regional and national levels for many years- her professionalism, commitment to our sisterhood and work ethic make her a great asset to our organization.

We are also pleased to announce our newly appointed Vice President- Nizhoni Smocks. With ten years of dedication and experience as an undergraduate Active, Alumna, and National Leadership member, the NEB felt that she was a perfect candidate to fulfill the Vice President position for the remainder of the 2014-2017 term. With her new appointment, she has already outlined areas of growth that she will focus on, including: chapter recruitment, expansion, comprehensive education programs and standardized organizational practices.

Please help us in welcoming our newest members of leadership.
